FORMED BY THE WIDELY KNOWN CONNOISSEUR

Arthur Davison Fiske, Esq.

AUTHOR OF "TWELVE JAPANESE PAINTERS" AND OTHER WORKS It is not too much to say that the collection is easily the most important that has ever been offered at public sale in the United States. This is not only because of its intrinsic value, but also because it offers active competition—but rather because of its general high average and the fact that it is composed of prints which reflect a discrimination, taste, knowledge and judgment."
